Dear Mike

GOVANHILL LAW CENTRE

I note that Govanhill Law Centre was not offered a grant in a recent funding round and that it may be facing closure.

I am writing on behalf of Castlemilk Law & Money Advice Centre to express support for your campaign to keep Govanhill Law Centre open. I believe that in the current period legal advice and representation services should be increased and not reduced. The services offered by our respective Law Centres were and are complementary and I think it is important that we work together to ensure maximum legal help for local people.

I hope that you are successful in maintaining your services in Govanhill.

Yours faithfully
